STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

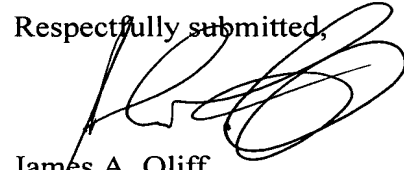

Sir:

A personal interview was conducted on August 11, 2005 between Applicants' representative and Examiner L. Ciric at the U.S. Patent and Trademark Office.

During the interview, the propriety of the Restriction Requirement was discussed. It was also agreed that the amendments to the claims as provided in the August 8, 2005 Amendment After Final Rejection overcome the rejections under 35 U.S.C. §112. Regarding the rejection of the claims under 35 U.S.C. §102, the Examiner indicated that she did not agree that the Nakamura reference failed to anticipate the claims or that it was improper to

incorporate a human being as corresponding structure in a patent claim, as asserted in the August 8 Amendment.

Respectfully submitted,
